Introduction to TBOTE and ECPTOTE

- TBOTE: Texas Board of Occupational Therapy Examiners
 - This is the board that regulates the practice of occupational therapy in Texas and licenses OTs and OTAs.
 - The Board has 4 OTs, 2 OTAs, and 3 public member positions.

- ECPTOTE: Executive Council of Physical Therapy and Occupational Therapy Examiners
 - An independent administrative governmental agency that directly supports or carries out the functions of one or both of the Texas Board of Occupational Therapy Examiners and the Texas Board of Physical Therapy Examiners.

NBCOT and Professional Associations

- NBCOT: National Board for Certification in Occupational Therapy
 - This is the organization that owns the national exam, certifies individuals as OTRs and COTAs, etc.
 - Recertifying with NBCOT is NOT THE SAME as renewing the OT or OTA license issued by TBOTE.
- Professional Associations:
 - These may offer CE, arrange conferences in occupational therapy, etc.
 - Examples (in alphabetical order):
 - AOTA: American Occupational Therapy Association
 - NBCOT
 - TOTA: Texas Occupational Therapy Association

Licensure vs. Certification

- NBCOT certifies you; TBOTE licenses you.
- You must have a current license issued by TBOTE in order to practice or represent yourself as an OT or OTA in Texas.

Two Paths to Initial Licensure: License by Examination or Licensure By Endorsement

- **Licensure Method:** All applicants must apply by either examination or endorsement. In addition, all applicants must also meet the requirements in §364.1, Requirements for Licensure, of the OT Rules.
- **Initial License by Examination:** The applicant must apply by examination and also meet the requirements in §364.2, Initial License by Examination, if the applicant:
 - has not passed the NBCOT certification examination; or
 - has passed the NBCOT certification examination and
 - is not currently licensed as an occupational therapist or occupational therapy assistant in another state or territory of the U.S.; or
 - if not currently licensed in another state or territory of the U.S., is applying from the U.S. military or a non-licensing state or territory of the U.S and cannot substantiate occupational therapy employment for at least two years immediately preceding application for a Texas license.
- **Licensure by Endorsement:** The applicant must apply by endorsement and also meet the requirements in §364.4, Licensure by Endorsement, if the applicant has passed the NBCOT certification examination and:
 - is currently licensed as an occupational therapist or occupational therapy assistant in another state or territory of the U.S.; or
 - if not currently licensed in another state or territory of the U.S., is applying from the U.S. military or a non-licensing state or territory of the U.S. and can substantiate occupational therapy employment for at least two years immediately preceding application for a Texas license.

Initial Licensure: Application

- You may apply online or by a paper application.
- Go to www.ptot.texas.gov and from the Texas Board of OT Examiners drop-down menu, select the [OT Application page](#).

Military Service Members, Military Veterans, and Military Spouses

- Senate Bill 807 (84th Legislature – 2015) allows for the waiver of application fees for **military service members** and **military veterans** who are applying for licensure by examination and by endorsement. Additionally, it allows for the waiver of application fees for **military spouses** who are applying for licensure by endorsement.

Current statute (Chapter 55, Occupations Code, §55.001) includes the following definitions:

Active duty - current full-time military service in the armed forces of the United States or active duty military service as a member of the Texas military forces, as defined by Section 437.001, Government Code, or similar military service of another state.

Military Service Member: Current original orders, including signature page(s) or Military ID

Military Veteran: DD2-14

Military Spouse: Military ID

- When submitting the **Military Application Fee Waiver Request**, please include a completed paper application for initial licensure, which is downloadable from the [Forms](#) page. **If you are requesting a fee waiver, do not apply online.**
- For more information regarding eligibility for fee waivers and expedited services, see §364.1(d) of the OT Rules.

What if the applicant has a criminal history?

□ Criminal History Evaluation Letter

- Prior to applying for licensure, an individual may request that the Board review the person's criminal history to determine if the person is eligible for licensure based solely on the person's criminal background up to that point in time.
- An individual may always apply for licensure, regardless of the Board's decision provided in the criminal history evaluation letter.
- This can reduce the application processing time if the evaluation is requested well before applying. If applying now or within a short period of time, the review will be conducted as part of the regular application process.

Complete Application

- Complete the correct application and pay the required fee.
 - ▣ If applying online, there are two applications, one for an OT license and one for an OTA license.
- Make sure you indicate whether you are applying by examination or by endorsement.
- Answer all questions.
- Include your SSN or send an SSN statement noting that you do not have an SSN, but will provide the Board one when you receive it.
- Include your school code and the name and location of your school.

Home Address and Address of Record

- Home Address

- ▣ You must provide a physical home address.

- Address of Record

- ▣ Select and provide the address that you wish to be the address available to the public. This can be changed at any time.

Passport-Type Photo

- This must be a 2x2 inch color head and shoulders, passport-type photo.
 - ▣ You may send a photo specifically taken to meet passport photo requirements.
 - ▣ All photos must meet passport photo requirements.
 - ▣ This is not a copy of your driver's license or passport.
- This must be on photographic paper.
 - ▣ Photocopies will not be accepted.
- This must be physically received (e.g., by mail) and may not be faxed or emailed. Be sure to write your name and last four digits of your SSN on the reverse side.

Jurisprudence Exam (JP)

- This is an open-book, 20-question online exam.
- You may take the exam until you pass. Read the OT Rules and OT Practice Act before the exam.
 - ▣ Download these or open them in a new tab.
 - ▣ Do not navigate from the exam tab during the exam.
- Access the exam from a link on the Application page.
- Be sure to complete all steps for the exam so the passing score will be automatically reported to the Board.
 - ▣ You must enter your contact information, etc.

Fingerprinting

- Applicants must submit a complete and legible set of fingerprints in the manner prescribed by the Board for the purpose of obtaining criminal history record information from the Department of Public Safety and the Federal Bureau of Investigation.
- Prior fingerprinting for any other purpose will not satisfy this requirement.
- Do not submit fingerprints until you have submitted your application for initial licensure.
- Refer to the related announcement on the homepage of the website (<https://www.ptot.texas.gov/page/home>) for further information.

Passing Score Report

- All applicants must pass the NBCOT certification exam.
- Applicants must contact NBCOT to request that the score report be sent directly to the Board by NBCOT.
 - Scores sent by applicants, for example, will not be accepted.
- NBCOT sends scores electronically throughout the business week.

Failing Score Report

- If you have applied for licensure by examination and the Board receives a failing score report, you must download and submit the re-exam form and fee (\$25.00).

Verification of Licensure

- License Verification: The Board must receive a verification of license from each state or territory of the U.S. in which the applicant is currently licensed or previously held a license. This applies to those applying by examination if they have a history of licensure in occupational therapy and to those applying for licensure by endorsement.
 - ▣ For those applying by endorsement, at least one license must be current.
 - ▣ License verification refers to an occupational therapy license, not a driver's license.
- The license verification must be an original verification sent directly to the Board by the licensing board in that state or territory and any disciplinary actions must be reported to the Board. The applicant must contact the issuing board(s) to request that this verification be sent to the Texas Board of Occupational Therapy Examiners.
 - ▣ This is not a copy of your license or an online lookup of your license that you send the Board.
- If you are applying for licensure by endorsement and if you are not currently licensed in a state or territory of the U.S. and are applying from the U.S. military or a non-licensing state or territory of the U.S., a Verification of Employment form (found on the [Forms](#) page of the website) must be submitted substantiating occupational therapy employment for at least two years immediately preceding application for a Texas license.

For applicants applying by examination whose exam scores are over two years:

- The application for license must be received no later than two years following the date of the passing examination for those applying by examination.
- If the application is received after this time, the applicant must take and pass the NBCOT examination for licensure purposes only.
 - The applicant must request Board approval to take this examination. The score report must be sent directly to the Board by NBCOT.
- This requirement is in addition to all other initial licensure requirements, including receiving the original passing NBCOT initial certification examination score.
 - The Board must receive all required items prior to approving the individual to take the exam for licensure purposes only.

Licensure Process

- Each application item received must be processed.
 - ▣ Processing times are approximately 3-5 business days for each item, although this can be shorter or longer depending upon the time of year, etc.
 - ▣ Please note processing times. If the Board receives from NBCOT a passing score report on a Thursday, this does not mean that the score will be entered in the checklist nor that the license will be issued and approved that day.

Online Applicant Checklist

- Once your application has been processed, you will receive an email with your applicant password.
- Use this password to access the online applicant checklist from the homepage with the required items for your application.
 - Applicant passwords are generally emailed within 3 business days after an application has been received by the Board, although these times may vary.
 - Check your junk mail/spam folder if you have not received your password in your inbox within 3 business days. If you still have not received it, contact the Board. Once items are processed, you will see a date entered in the checklist.
- The checklist is updated at the end of each business day. Any additional required items will appear on the checklist.
- Monitor your checklist.
 - The checklist is one of the primary ways that the Initial Licensing Department communicates with applicants.
 - Once an item is received and/or a requirement met, such will be indicated on the checklist.

Temporary License

- A temporary license is only available for an applicant taking the exam for the first time who has never held an occupational therapy license at the level for which s/he is applying.
- Further information is available from the [Temporary License page](#).
- Additional items required:
 - Temporary license fee (\$55/OTA or \$70/OT)
 - NBCOT Confirmation of Exam Registration and Eligibility to Examine Form
 - Copy of your receipt showing that the NBCOT score report was ordered for TBOTE (may be mailed, faxed, or emailed)
 - Temporary Supervision Form (may not be faxed or emailed)
 - The place of employment must match the address on file with the Board for the OT. If it does not, this must be explained on the form.

Should I apply for a temporary license?

- Testing is on demand, so exams may be scheduled frequently.
- Scores are reported throughout the week to TBOTE and licenses are generally issued and approved quickly.
- A temporary license comes with limiting conditions and requires an additional fee, the temporary license fee.
 - A temporary licensee may not supervise anyone; must complete additional supervision hours (for a temporary OTA licensee, twice the amount as that for a regular licensee working 128 or more hours during a given month); and must have supervision at all times by a licensee on the premises (for an OTA temporary licensee, an OT or OTA with a regular license; for an OT temporary licensee, an OT with a regular license).
- Remember that you must have a current license issued by TBOTE in order to practice occupational therapy in Texas.

How long may someone practice under a temporary license?

- Temporary licenses have an expiration date approximately 3-4 months after issuance.
- The exam must be taken by the NBCOT eligibility expiration date.
- If the applicant fails the examination, fails to take the examination during the 90 day window as stated on the Confirmation of Examination Registration and Eligibility to Examine form from NBCOT, or fails to have the score reported, the temporary license is void and must be returned to the Board.
- An additional temporary license will not be issued.

Avoiding Licensing Delays

- ❑ Make sure you apply with the correct application and your responses are complete.
- ❑ If paying by check, ensure you have sufficient funds.
- ❑ Send the correct photo.
- ❑ Be sure to order your NBCOT score for TBOTE.
- ❑ Frequently check your checklist for updated items and respond to communication from the Board promptly.

Keep Contact Information Updated

- You must notify TBOTE of any name, contact information (home, work, mailing), and/or supervisor changes (for those with a temporary license) within 30 days of the change.
- The Board sends mass emails related to newsletters, rule changes, and renewal notices (for licensees and registered facility owners/designees). Be sure to add info@ptot.texas.gov and emailOT@ptot.texas.gov to your list of safe senders and check your junk and spam folders for emails.

License Issuance

- Once ALL items have been received and requirements satisfied, the license will be issued. Each license must be approved before it is mailed or may be verified on the website.
- A new licensee with a regular or temporary license may provide occupational therapy services according to the terms of the license upon online verification of current licensure and license expiration date from the Board's license verification web page. The Board will maintain a secure resource for verification of license status and expiration date on its website.
 - ▣ To verify a license or facility registration, visit this link:
<http://www.ptot.texas.gov/page/look-up-a-license>.
- The original license must be prominently displayed in your principal place of employment.
 - ▣ Photocopies may be made for institutional filing purposes only.

License Issuance

- The first regular license is valid from the date of issuance until the last day of the licensee's birth month, with a duration of at least two years. Each subsequent renewal period will be for two years.
- If Anja's birthday is in October and her license is issued May 1, 2019, the first renewal period will be from May 1, 2019 through October 31, 2021.
- Her next renewal period would be from November 1, 2021 through October 31, 2023.

Sending the license

- Licenses are mailed through USPS.
- To expedite the delivery of a license, you may send the Board or email info@ptot.texas.gov a prepaid airbill or another prepaid overnight/rush/express label or envelope.

- Those renewing late or on retired or inactive status must renew by paper application.
- Make sure that TBOTE has your SSN; if it does not, be sure to send an updated SSN statement in a timely manner so your name may be added to the list of licensees who may renew online.

 - ▣ Print a copy of your CE submission form. You will not be able to access it after you move to the next screen.
- To renew by paper, submit a paper application with the CE submission form and fee. You will need to take the JP exam online and the passing score will be automatically reported to the Board.
- Do not submit copies of the documentation for your CE if renewing on time.
- To confirm your renewal, you must go to the Board's verification page and check that your expiration date has been updated.
 - ▣ You may only provide services if the verification page shows your license is current. Remember to renew early as there are renewal processing times. The verification page must also be updated to reflect your renewal and new expiration date; this process is not instantaneous and takes one or more business days.

Continuing Education/CE

- All licensees must complete a minimum of 30 hours of continuing education every two years during the period of time the license is current in order to renew the license and must provide this information as requested.
- All CE must meet the definition of Continuing Education (see below) and further requirements in Chapter 367 of the OT Rules.
- Definition of Continuing Education; also known as CE. Continuing Education – Professional development activities that meet the requirements in this chapter and directly concern one or more of the following:
 - (A) occupational therapy practice as defined in §362.1 of this title (relating to Definitions),
 - (B) health conditions treated by occupational therapy,
 - (C) ethical or regulatory matters in occupational therapy, or
 - (D) occupational therapy documentation or reimbursement for occupational therapy services.
- Licensees are responsible for choosing CE activities that meet the requirements in Chapter 367.
 - The Board does not require that licensees take approved or pre-approved courses. All courses regardless of the provider or pre-approved status must meet the requirements in Chapter 367 and may not be unacceptable activities
 - Licensees can choose courses from anywhere in the world and such will be eligible as long as they meet requirements as per Chapter 367.
- See the Board's [Continuing Education page](#) for further resources such as sample course titles, sample certificate of completion, decision tree, and information regarding unacceptable activities.

Unacceptable CE

- All activities claimed for CE credit including those approved or offered by AOTA or TOTA must meet the requirements in Chapter 367 and may not be an unacceptable activity as per §367.2(b).
- Unacceptable Activities. Unacceptable professional development activities not eligible for continuing education regardless of the provider or pre-approved status include but are not limited to:
 - (A) Any non-instructional time frames such as breaks, meals, introductions, and pre/post testing.
 - (B) Business meetings.
 - (C) Exhibit hall attendance.
 - (D) Reading journals.
 - (E) Courses that provide information about the work setting's philosophy, policies, or procedures or designed to educate employees about a specific work setting.
 - (F) Courses in topics concerning professionalism or customer service.
 - (G) Courses such as: massage therapy, management and business administration, social work, defensive driving, water safety, team building, leadership, GRE, GMAT, MCAT preparation, reading techniques, general foreign languages, communicable/infectious diseases, patient abuse, disposal of hazardous waste, patient privacy, CPR, First Aid, HIPAA, FERPA, bloodborne pathogens, or similar courses.

CE Documentation

- Check Chapter 367 regarding documentation requirements for different CE categories.
- For in-service educational programs, training programs, institutes, seminars, workshops, facility based courses, conferences in occupational therapy, home study courses, educational teleconferences, Internet-based courses, and video instruction, the required documentation is a certificate of completion or letter of verification.
- Documentation must identify the licensee by name, and must include the date and title of the course, the name and signature of the authorized signer, and the number of contact hours awarded for the course.
 - When continuing education units (CEUs), professional development units (PDUs), or other units or credits are listed on the documentation, such must be accompanied by documentation from the continuing education provider noting the equivalence of the units or credits in terms of contact hours. This is not needed for AOTA CEUs, but be sure you know what such represent in hours.
 - Remember that a contact hour is not the same as a learning credit, PDU, CAU, etc. When you renew, you must attest to your CE in contact hours.

CE Retention and Submission

- The licensee is solely responsible for keeping accurate documentation of all CE requirements. CE documentation must be maintained for two years from the date of the last renewal.
- If you are renewing on time or if you are renewing 90 days or less after the license expired, do not submit copies of your CE documentation.
- If you are renewing over 90 days late or are required to submit your CE as part of the CE Audit, for example, then you must submit copies of your documentation.

CE Audit

- Each quarter, the Board selects a random group of licensees for the audit.
- Audited licensees must submit copies of their CE documentation by the deadline.
 - ▣ Be sure to keep the Board notified of your current mailing address and any other contact information.
- Licensees will be notified by the Board at the conclusion of the audit.
